|   |            |   |  <b>Simon Atkinson</b> , Joint Head of Curriculum and Inclusion, Church of England Education Office (UK)            |
|   | 20         | <p>An opportunity to explore the profound impact of The Church of England Education Office's <b>Global World Faith</b> project within the context of schools. In this conference session, we will delve into the multifaceted aspects of Christianity and its role in shaping school environments.</p> <p>To further enrich our discussions, this session will explore authentic case studies that exemplify the intersection of Christianity and culture. These case studies offer real-world examples of how schools and educators can develop their understanding of the authentic diversity of Christianity, encouraging meaningful discussions using a multidisciplinary approach.</p> |  |
